

JOIN OUR CREW

EARN WHILE YOU LEARN!

Unlock the power of new job skills to impact your community and start your **green** career journey!

Gain Employment Skills

Earn competitive industry certifications and skills that will make you stand out in this field.

Receive Personalized Support

Your SJI career navigator is here to assist you with transportation needs, rental assistance, work gear, and more!

Take part in our new intensive six-month training in the growing green infrastructure industry. **This program is not about sitting in a classroom.** Crew members will visit different work sites for active, hands-on fieldwork and learn about maintaining natural drainage systems, plant identification, landscape, and maintenance skills.

Applications are now being accepted.

Sign up by March 28th!
